1	I have a Kindergartner.	3/19/2018 10:48 AM
2	Yes but will not stay again until possible 5th grade. I feel the kids are to young and the security of the kids could have been handled better.	3/17/2018 10:29 AM
3	Don't feel it's appropriate - too much liability in this day in age - lots of sickness comes with this	3/16/2018 5:15 PM
4	My oldest son had an early basketball game, and I wanted him to have plenty of sleep.	3/16/2018 4:31 PM
5	We don't like the overnight portion, they do not need to spend the night at the school	3/16/2018 3:54 PM

7	One did, one didn't	3/16/2018 1:06 PM

15	Doesn't sleep well at school	3/15/2018 9:40 PM
16	No. My child did not want to attend, but we have never allowed our children to spend the night with the exception of 5th grade. They usually attend the evening festivities and then come home around 10 or 1030	3/15/2018 8:33 PM
17	No, have b/g twins and we prefer to stay with them and are unable to both be present.	3/15/2018 6:19 PM
18	Don't feel it's appropriate for an overnighiter under 5th grade. For 5th grade would prefer to midnight. No overnighiter	3/15/2018 5:26 PM
19	We as a family choose not to spend the night because we don't think it's necessary to sleep at the school. My child still gets to participate in the activities until 10:00-10:30	3/15/2018 10:45 AM

Q4 What would you change about CORE?

Answered: 108 Skipped: 12

#	RESPONSES	DATE
1	Not much except to allow the people who are in charge of CORE to let them run it. There were others who are micromanaging CORE and changing things. You are going to lose a lot of lead volunteers that way if you continue to allow this!	4/12/2018 9:33 AM
2	Some training for volunteers on safety-related issues would be nice. I also don't love the timing of core. I feel like we do not address reading month at all because we do core so early.	3/26/2018 8:54 AM
3	Nothing. I'm a supporter of the event because it's fun for kids-and makes them feel connected to their community and education.	3/25/2018 1:37 PM
4	Nothing at this time.	3/23/2018 2:44 PM
5	Go home at 10:30	3/20/2018 3:04 PM
6	It would be best to have a celebration, but not a sleep over.	3/19/2018 11:22 PM
7	I would be totally cool with you guys just doing a late night carnival. It puts a lot of pressure on the adults and wipes them out.	3/19/2018 8:48 PM
8	Nothing!	3/19/2018 7:04 PM
9	Maybe have 3rd-5th only spend the night	3/19/2018 4:34 PM
10	Events that go a little later into the night. Ending at 10:30 is a little early as the kids are ready to keep moving.	3/19/2018 3:30 PM
11	I think at this time, you should change nothing	3/19/2018 2:22 PM
12	The entertainment seemed to be a little too long for the kids to remain focused.	3/19/2018 1:21 PM
13	Since my son is a first grader I felt like there was a bit too much down time. Would it be possible to have more ongoing activity like bounce houses or more active events throughout the evening?	3/19/2018 11:49 AM
14	Not sure what CORE is.	3/19/2018 10:48 AM
15	Nothing specifically	3/19/2018 7:11 AM
16	The craft was just ok this year.	3/18/2018 3:47 PM
17	I was with the fifth graders, and think that we should tweak the "up all night" part of the program. It is a fun tradition for the kids, but there should be better options for the kids (and adults) who want or need to catch a few hours of sleep. Perhaps both rooms should be quiet from after the cookout until 6 in the morning or so. Those who want to stay up would still have the option of the gym or room across the hall. There was one quiet room, but that did not provide a good option for those assigned to the loud room who had all their sleeping stuff there. Kids who do not want to stay up all night should not be pressured to do so.	3/18/2018 7:37 AM
18	Nothing	3/17/2018 8:01 PM
19	Just an evening of activities with no overnight.	3/17/2018 6:05 PM
20	No response	3/17/2018 12:54 PM
21	I don't feel this should be an overnight event. Maybe in fifth grade but I don't feel it is necessary to stay overnight. Plus, the security issues. There doesn't not appear to be any in place. Anyone could walk out with a student and I don't feel the school was locked down properly. I think our kids are sitting targets there overnight given all of the recent events and threats being made. I think it would be just as fun ending at 10,11 or even midnight.	3/17/2018 10:29 AM
22	try to not do it on a weekend with day light savings	3/17/2018 7:46 AM
23	Everything was great how it was!	3/17/2018 7:45 AM

24	The downtime before the first event was far too long (while kids were arriving and registering). It was nearly impossible to keep 25+ energized first graders under control when there was nothing planned for them to do.	3/17/2018 12:39 AM
25	Nothing	3/16/2018 9:28 PM
26	Not the same weekend as Daylight Saving Time. I had cranky kids.	3/16/2018 8:58 PM
27	Later morning pick up?	3/16/2018 7:11 PM
28	Not during the weekend with the time change	3/16/2018 5:55 PM
29	Only spending the night at 5th grade, not have top readers because the same kids always win, draw from a hat from those who met their goal. The kids who struggle to read will never have a chance the way this is and they know it - so they are motivated to reach the goal - but not go beyond.	3/16/2018 5:15 PM
30	It was hard keeping track of all the kids in our group (no name tags or identification they were in our room). Being new to this event there wasn't much direction for the adults that were there.	3/16/2018 5:06 PM
31	Drop off needs to be a little less congested. If your not volunteering, please leave in a timely matter. Parents shouldn't have needed to park on the side of the road for this event.	3/16/2018 4:31 PM
32	More activities	3/16/2018 4:25 PM
33	Maybe attempt a grade bonding activity, something that all of 3rd grade can do together, all of 4th grade, etc. Activities like team building to help strengthen bonds	3/16/2018 4:15 PM
34	No overnight stay for anyone not in 5th grade	3/16/2018 3:54 PM
35	Everyone leaves at 10pm	3/16/2018 2:54 PM
36	A little more organization for room parents or nametags would be helpful- color coded?	3/16/2018 2:42 PM
37	I was very happy with how everything went!	3/16/2018 2:34 PM
38	My son said they watched two movies and weren't allowed to not watch them. He also got a black eye from a kid punching him.	3/16/2018 2:23 PM
39	Maybe having just the 5th graders spend the night. Split them up between more rooms	3/16/2018 2:15 PM
40	Don't love the overnight part.	3/16/2018 2:15 PM
41	It's time to look at the overnight portion. Lots of sick kids the week following. Celebrate learning with an evening event but it's time to let the overnight portion go.	3/16/2018 1:12 PM
42	No overnight	3/16/2018 1:06 PM
43	Helped out in the boys craft room.... the face painting was a huge hit!!... not so much for the craft part.... maybe next year just have more variety with face painting for them or maybe tattoos??	3/16/2018 12:12 PM
44	Food communications. It would have been helpful to know ahead of time what snacks /food would be available so that I could send in subs for the items my son can't have. I put no food dyes on both the form and mentioned it at check in and my son should know to ask if what foods to avoid but yet he was 2/3 way through a red Jell-O before a mom who knows him stepped in. Thankfully there's not immediate physical concern. We just deal with the consequences later. But more communication about food ahead of time would allow parents to plan. More communication in general would be helpful. For first time families, there were a lot of unknowns. We went with the flow and figured it out as we went but where to check in, further out notice of details, and such would be helpful.	3/16/2018 12:09 PM
45	Nothing ??	3/16/2018 12:08 PM
46	That it isn't over the time change weekend.	3/16/2018 12:08 PM
47	Make the kids earn it. Taking away the reading goal provides a disservice to the kids and is a poor example in teaching the kids responsibility and working for rewards.	3/16/2018 12:07 PM
48	Staying overnight is not necessary.	3/16/2018 12:05 PM
49	I appreciate the effort everyone has put into improving this event.	3/16/2018 11:58 AM
50	I think there should be a set amount of reading to be done to qualify for the overnighter like it was before.	3/16/2018 11:38 AM

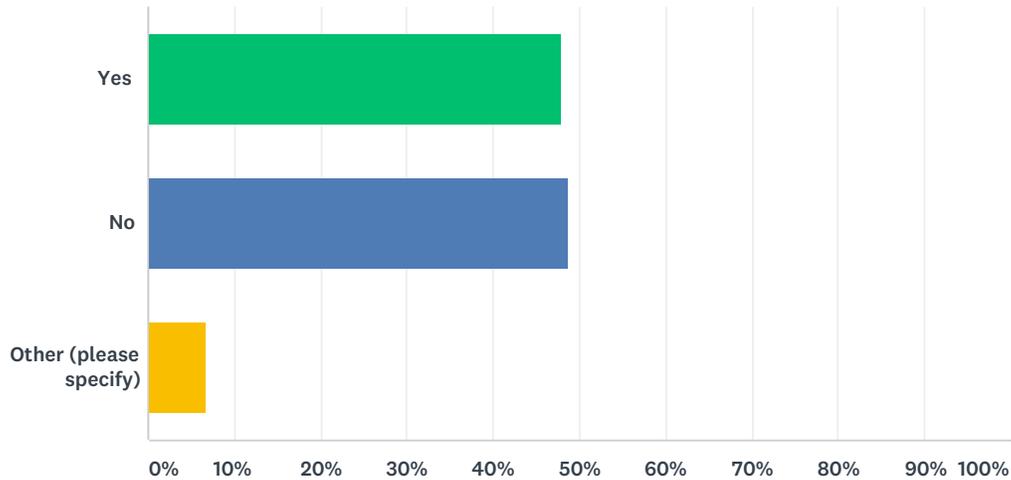

51	Overnight volunteer staffing was a little light, but it worked well enough!	3/16/2018 11:31 AM
52	Probably just not needed as an event	3/16/2018 11:18 AM
53	Nothing	3/16/2018 11:14 AM
54	Na	3/16/2018 11:04 AM
55	Not have children spend the night, not so much time before the entertainment (rooms get destroyed and students are hyper).	3/16/2018 11:01 AM
56	Maybe the name. I accept that RIP had its own issues, but even my kids think that CORE sounds "lame".	3/16/2018 10:57 AM
57	NA	3/16/2018 10:51 AM
58	Nothing :)	3/16/2018 10:45 AM
59	Nothing	3/16/2018 10:43 AM
60	This is my first year with an overnight student, and I did not volunteer this time, so I don't really know what I would change.	3/16/2018 10:41 AM
61	NA	3/16/2018 10:39 AM
62	More info for volunteers!! We had no name list of who was supposed to be in our room, so there was some confusion. Name tags for students and volunteers would be helpful.	3/16/2018 10:38 AM
63	Can't think of anything.	3/16/2018 10:37 AM
64	Nothing.	3/16/2018 10:35 AM
65	More organized. This year was not as organized as last year	3/16/2018 10:34 AM
66	It may have been unavoidable in 2018, but please try to schedule future events on a weekend other than during the Daylight Savings Time Change.	3/16/2018 10:32 AM
67	No overnight for any students	3/16/2018 10:31 AM
68	Nothing	3/16/2018 10:28 AM
69	Include a list of activities in the information so new parents are aware of what goes on	3/16/2018 10:23 AM
70	Nothing	3/16/2018 10:22 AM
71	I would have 1st graders go home by 9pm, 2nd graders not spend the night and go home by 10pm, then let 3-5th spend the night. It would be less taxing on volunteers & parents that way	3/16/2018 10:22 AM
72	Nothing!	3/16/2018 10:20 AM
73	My kids did not stay the night, but they had a great time while they were there.	3/16/2018 10:17 AM
74	Not sure it needs to be an overnight thing. I think the 6-10 timeframe would be great.	3/16/2018 10:16 AM
75	The 2nd grade boys did not remember to sign their friends shirts and my son was bummed when he got home that it didn't happen.	3/16/2018 10:15 AM
76	Not sure	3/16/2018 10:15 AM
77	nothing	3/16/2018 10:14 AM
78	I can't think of anything	3/16/2018 10:12 AM
79	N/A	3/16/2018 10:11 AM
80	I actually preferred the fact that you use to have to earn the privilege of going by meeting a specific reading goal.	3/16/2018 8:31 AM
81	Something more concentrated as a reward geared around reading?? A used book exchange, more games, less "free" time and craft time, more freedom to be with friends and not in an assigned room. Or maybe something off campus, completely different, a day or afternoon event.	3/16/2018 8:24 AM
82	NOT overnight! Takes the whole weekend to recover, too many other things going on to deal with that. Not to mention it's a HUGE liability for the school	3/16/2018 7:13 AM
83	Maybe slightly stagger drop off times for parking purposes? Otherwise nothing.	3/16/2018 4:20 AM

84	No sleep over; especially under 5th grade Better control of the kids, seemed they have free range to run	3/15/2018 10:05 PM
85	Include kindergarten, have the event take place closer to the end of the month	3/15/2018 9:40 PM
86	Have a celebration similar to the afternoon assembly in the evening and play some games. I think having a sleepover at school is completely inappropriate. A majority of the parent volunteers (who are becoming harder and harder to come by) and kids actually don't sleep anyways. I also think it invades on the teachers classroom and belongings.	3/15/2018 8:33 PM
87	I would recommend providing a list of the kids in the group to the volunteer parents. Nametags would also be helpful. I was expecting to be assigned a group of kids, but without a list of kids and nametags that didn't happen. We just kept counting kids, but if one had gone missing, it would have been difficult to figure out who. I would also have more activities planned to keep kids busy the first half hour.	3/15/2018 8:16 PM
88	Healthier food choices, better mixing of classes	3/15/2018 6:19 PM
89	No overnigher for under 5th grade. Under 5th grade 6 to 9. 5th grade 6 to midnight at the latest	3/15/2018 5:26 PM
90	Nothing	3/15/2018 4:52 PM
91	No sleep over!	3/15/2018 3:29 PM
92	I think it is a great tradition that the kids love. I think there definitely needs to be a team to come in the morning for clean up. The CORE team is way too tired to also be doing the clean up. This way the smaller things aren't missed.	3/15/2018 3:10 PM
93	I would like to not have kids spend the night.	3/15/2018 3:06 PM
94	Please do a little more explaining as to what Core actually is. I saw so much hype and buzz around it, but still wasn't exactly sure what the event was all about in the weeks leading up to it. I finally had to ask around to find out it was simply a party/lock-in for the kids. :) I also had no idea they were choosing top readers and would have been a bit more diligent about tracking all the books/time my daughter actually read, as opposed to just her assigned reading minutes.	3/15/2018 12:41 PM
95	I really wish it was not an all night event. It takes days for my kids to recover--especially the 5th graders staying up all night. It could be just as fun as an event that ends at 10:30 or 11. Also, the boys' groups in general could be chaperoned more. They were wild--running full speed in the cafeteria and jumping on and off the stage and the chaperones in general did not stop that behavior. I was working in another area, but had to continue to correct behavior. Someone is going to get hurt sometime.	3/15/2018 12:13 PM
96	Not sure... Last year when I volunteered for 5th grade girls, a couple moms were SUPER overprotective and I felt bad for some of the girls. Like, it's supposed to be fun for them. Stop yelling at them for EVERY SINGLE THING. We're not at the mall, they'll be fine if they go in pairs down to the bathroom. So they want to do cartwheels and dance in the hallway... Really?? This is a big deal to you? I feel like ESPECIALLY the parents that volunteer with the 5th graders should just let their kids have fun. Sure, keep it under control and make sure they're not destroying the school but seriously. Settle down, Sally.	3/15/2018 11:59 AM
97	Done at midnight. They don't need to spend the night.	3/15/2018 11:30 AM
98	Nothing	3/15/2018 11:24 AM
99	Background check done earlier,	3/15/2018 11:22 AM
100	How the kids are assigned to rooms. My child was disappointed because he wasn't with any friends.	3/15/2018 11:18 AM
101	Breakfast. Not needed. Every year there is a desperate plea for food and typically most of it is wasted or thrown in the teacher's lounge. Kids can wake up and eat at home.	3/15/2018 11:06 AM
102	The acoustics/sound in the gym. None of what the speaker/entertainer is saying is heard.	3/15/2018 10:50 AM
103	The evening was pretty loud and chaotic. Although my kids attended, I actually really don't love the overnight aspect of it.	3/15/2018 10:49 AM
104	I would have no overnight so that my child doesn't feel like they're missing out on sleeping at the school, all evening activities are great!	3/15/2018 10:45 AM
105	A little more chaperones and organizing. My daughter was stressed with all the chaos and loud running kids in main room	3/15/2018 10:34 AM

106	Nothing ??	3/15/2018 10:29 AM
107	Games should be in a bigger room (possibly the library??). There is simply not enough space in the art room. Make that a sleeping space rather than for games. Also, the gym time hasn't changed in YEARS....mat ball?? There has to be something that different. Flashlight tag, hungry hippo with the scooters and laundry baskets....anything other than mat ball! The craft was not good at all for the older kids this year.	3/15/2018 10:28 AM
108	I was confused, as I didn't think it was supposed to be a contest this year. I think that is extremely off-putting. Reading should be fun, not competitive.	3/15/2018 10:24 AM

17	Stagger eating times in the cafeteria to limit congestion, start every 15 min. Have a game for chaperone to play with kids from 630 to 7, or instruct chaperone to bring a game Some how dim hallway lights or black out windows in the room for when younger kids are sleeping. 57	Find out who is staying in advance of that night, would help with having to find overnight chaperones. Have more chaperones in rooms before bedtime. Have parents actually watch the kids... to many socialize and don't pay attention. Background checks cut off - 2 weeks before. Sorry, can't stay if don't have enough background checked at that point.	3/16/2018 7:13 AM

Q7 How do you feel about the safety/security of the event? What steps could be taken to improve the security/safety?

Answered: 100 Skipped: 20

#	RESPONSES	DATE
1	Safety and security seemed very good to me	4/12/2018 9:33 AM
2	I feel like Safety and Security could be improved. There was no plan with the students on what to do if there was a fire or where to go if they had to suddenly leave the building. It is my understanding that the volunteers were not given directions as to who was in charge or who to go to if there were to be a problem.	3/26/2018 8:54 AM
3	I think we need a bit more freedom from fear as a community. Quality people are there, lots of eyes on the kids, background checks happen for volunteers, I think processes of safety are in place.	3/25/2018 1:37 PM
4	I felt my child was safe and cared for.	3/23/2018 2:44 PM
5	None	3/20/2018 3:04 PM

10	Good. No issues with that.	3/19/2018 1:21 PM
11	Great safety and security, maybe number the children so that leaving at the end of the night would be easier, and also have name tags for them (possibly color coded to keep them with their group)	3/19/2018 11:49 AM

17	No response	3/17/2018 12:54 PM
18	I don't feel there is one at all. I felt like a sitting target. My kids will not be staying overnight. If this event continues to be an over night event I think it would really benefit to speak to law enforcement or someone who specializes in this type of thing to get the best guidance on how to keep our kids safe.	3/17/2018 10:29 AM
19	Seemed fine to me	3/17/2018 7:46 AM
20	I was not there but my son's Mom was, things seemed safe	3/17/2018 7:45 AM
21	It was too difficult to keep track of the kids in our group, especially once the boys and girls were split into two rooms. We were given small groups of children to keep tabs on, but then those kids were divided into boy/girl groups. We couldn't be with both sets at the same time. A second copy of the attendance list for the groups should have stayed with the volunteers. It was taken from us to be used as kids checked out, so we had no way of making sure everyone was accounted for.	3/17/2018 12:39 AM
22	None	3/16/2018 9:28 PM
23	You do a great job with the security.	3/16/2018 8:58 PM
24	I think it was safe	3/16/2018 7:11 PM
25	The kids are safe inside the school - but with so many parents (which is GREAT!), any kid could say any parent did something - again too much liability with staying overnight.	3/16/2018 5:15 PM

32	Good! Besides the black eye thing.	3/16/2018 2:23 PM
33	Aside from chaperones, have a CORE volunteer help regulate a group until bed time.	3/16/2018 2:15 PM
34	Glad that background checks are done. We can recall several years ago that they were not. Also, very thankful to see Mr. M at school giving of his personal time. Thank-you Mr. M.	3/16/2018 1:43 PM
35	get rid of the overnight portion	3/16/2018 1:12 PM
36	I would have appreciated specific guidelines for someone picking up a child, especially if other than the parent. For example, I had someone else pick up my daughter and I took home two other girls. It seems like anyone could've signed them out and nobody would have batted an eye.	3/16/2018 1:06 PM
37	Was well done. Good communication and everyone knew where there crew was	3/16/2018 12:12 PM
38	Felt very safe and confident for future years that safety was a priority.	3/16/2018 12:09 PM
39	It felt very safe	3/16/2018 12:08 PM
40	I felt pretty secure. I thought the check in and check out system went well. Having someone at the office with the gate down would have made me feel a bit more secure. But over all I think they do a good job keeping the kids safe.	3/16/2018 12:08 PM
41	unsure, I didn't notice any	3/16/2018 12:07 PM
42	Not sure.	3/16/2018 12:05 PM

46	I am pleased with the security of the event.	3/16/2018 11:14 AM
47	good system in place, i felt my child was safe	3/16/2018 11:13 AM
48	Was good	3/16/2018 11:04 AM
49	I am not a fan of having students spend the night so that is why I have volunteered so that I am with my own children since I am concerned about the safety...especially in this day and age.	3/16/2018 11:01 AM
50	Pickup especially is a bit haphazard. There is a lot of trust there, which I appreciate. But, if you are asking about security, I could have taken almost anyone home without much trouble.	3/16/2018 10:57 AM
51	I think having a volunteer nurse overnight would be great. I also think there should be a 15 to 20 minute meeting with parent volunteers to go over safety concerns such as fire drill info, where to stage in event of fire, where shelter locations are in event of severe weather, AED location, who is trained in cpr/first aid/ AED etc, any safety concerns to be aware of? I know there had been some threats one of the Caledonia schools the week of CORE, that info would be nice to make everyone aware of. Whats the protocol if one of or kids goes missing, who do I contact? These are some of the things I can think of.	3/16/2018 10:51 AM
52	You all got this	3/16/2018 10:43 AM
53	NA	3/16/2018 10:39 AM
54	name tags for students. There should be names listed by child's name of who can pick them up and we should check ID. It's inconvenient, but then we know the child is in the right hands. This would be safer for the students not staying the night who are picked up by someone other than their parents. (Example: one mom picking up a group of kids to drop at their homes.)	3/16/2018 10:38 AM

55	This is the part that always makes me uneasy about the event. There are so many parents and others coming in and out... The volunteers get a background check, but no one else. I don't know what I would suggest to improve security, but it would be good to have someone with expertise in this area review the event (if you don't already). And...then communicate these protocols to parents.	3/16/2018 10:37 AM
56	There were people posted at the entrance. As long as all other entrances were secure, I feel like it was safe.	3/16/2018 10:37 AM
57	I felt safe and secure as I did about my children.	3/16/2018 10:35 AM
58	Safety was Good. Better organization would make it even better	3/16/2018 10:34 AM
59	It was chaotic at the evening drop-off, and there did not seem to be any security at the door. Perhaps the check-in could occur at the school doors or just inside rather than sending the kids through directly to assigned classrooms for check-in. Volunteers stayed in the classroom with the kids until morning pick-up, but there was no security checkpoint at the school doors.	3/16/2018 10:32 AM
60	I felt that any stranger could have entered the building. I would like to get rid of the overnight component of CORE.	3/16/2018 10:31 AM
61	I believe it was safe, I keep a open line of communication with my child so I was well aware of everything that went on.	3/16/2018 10:28 AM
62	The only safety thing I was informed of was background checks on volunteers.	3/16/2018 10:23 AM
63	Good	3/16/2018 10:22 AM
64	Check-out was handled well. Good job!	3/16/2018 10:22 AM
65	The check in process was secure for both grades and pick up of the 1st grader was secure, all parents waited in the front office and they brought the kids to us.	3/16/2018 10:20 AM
66	It seemed to be well secured.	3/16/2018 10:17 AM
67	It's quite chaotic . . . but that is what the kids enjoy.	3/16/2018 10:16 AM
68	It seemed like security was pretty good - it was crazy during drop off time and I assume pick-up time. The plan was for doors to be locked and adults who were not volunteers were supposed to leave. If that happened, then it seems like it was fine.	3/16/2018 10:15 AM
69	Number of volunteers was good. Not sure anything would make me feel safe/secure about the event, partly due to my child's health issues.	3/16/2018 10:15 AM
70	I feel like the safety/security was adequate for the event.	3/16/2018 10:14 AM
71	Check in at door instead of at room	3/16/2018 10:13 AM
72	It felt safe to me.	3/16/2018 10:12 AM
73	I felt it was safe for my child	3/16/2018 10:11 AM
74	Fine	3/16/2018 8:31 AM
75	Not sure	3/16/2018 8:24 AM
76	It's hard to say... you want to say the kids are safe but in this day in age are they really?	3/16/2018 7:13 AM
77	Thought it was fine.	3/16/2018 4:20 AM
78	It does not seem like the background checks are completed in a timely manner. Was the resource officer or other senior leaders aware there was an overnight event going on at the school? It is nice the doors are locked. No one verified who I was when I picked up my child, anyone could have signed my child out.	3/15/2018 10:05 PM
79	Unsure, can't help but feel a little uneasy with all the school violence these days. Not sure how to improve on security.	3/15/2018 9:40 PM
80	I think it's pretty well done. However, n years past, I've been able to walk right in and get my child or visit friends volunteering vs waiting at the door for my children. If you don't have an overnigher, we may be able to avoid all night security.	3/15/2018 8:33 PM
81	Assign groups of kids to volunteers, Check ID at pickup, Police patrol of the parking lot and surrounding area periodically throughout the night.	3/15/2018 8:16 PM

82	Drivers license check for parents picking kids up	3/15/2018 6:19 PM
83	I feel it has been getting safer over the years with locked doors & volunteer background checks but the idea of an overnigher this day in age doesn't feel safe at all. I don't think safety could be improved other then not doing an all night event.	3/15/2018 5:26 PM
84	Checkin/checkout process is taken pretty lightly	3/15/2018 4:52 PM
85	Unsure	3/15/2018 3:29 PM
86	Felt fine with the security	3/15/2018 3:24 PM
87	I think the overall security is good. I did see a door get propped open in the gym for a moment to get some air circulating. I do think it would be a good idea to get some large fans there to have in the gym that night so the doors don't need to be opened. Otherwise I think the committee does a good job keeping things secure.	3/15/2018 3:10 PM
88	I don't think students should spend the night. It is not safe. Strangers could have easily entered the building.	3/15/2018 3:06 PM
89	Chaperones need to be better trained on what behavior should be expected and tolerated. It seemed to be a free for all with behavior with running, jumping, screaming, pushing, shoving. I am afraid someone will get hurt. It is a school event and school behavior should be expected and enforced in my opinion.	3/15/2018 12:13 PM
90	It felt safe. I know the doors are locked and there are enough adults there to make sure the kids are safe.	3/15/2018 11:59 AM
91	There is a lot going on during this event. Maybe research ways to keep everyone safe.	3/15/2018 11:30 AM
92	Seems good	3/15/2018 11:24 AM
93	Not sure...	3/15/2018 11:22 AM
94	I'm not sure what the security was like by the grilling area for the 5th graders but that certainly concerns me. I also heard one parent saying they were going to open a window, I wasn't excited about that.	3/15/2018 11:18 AM
95	I believe background checks have to be done the week before and not hours before. I do think we have incredible parents who went out of their way to keep kids safe!	3/15/2018 11:06 AM
96	I think it would be helpful for the room parents to have a copy of the registration list of who is there and who isn't. They simply go by counting heads but have no idea really if they could have a tag along and lost somebody or not. Head count is a quick tool but it would be nice to do a name roll call a couple times a night.	3/15/2018 10:50 AM
97	I'm not sure if there is a way to have adequate safety and security at this type of event which is why the overnight aspect of it makes me uncomfortable. It's probably not feasible to do, but training for the volunteers would be good.	3/15/2018 10:49 AM
98	I feel that the committee does a good job keeping the kids secure.	3/15/2018 10:45 AM
99	Very satisfied. No concerns	3/15/2018 10:29 AM
100	The event seemed very secure.	3/15/2018 10:28 AM

5	I think Core is amazing. It really is a great incentive for these kids to continue reading. This is something they look forward to all year. I love how it's made extra special for the the soon to be middle schoolers. This is something they will never forget.	3/19/2018 7:04 PM

16	We do not feel comfortable sending our daughter to this event without one of us present. There was just too much commotion and not enough structure, safety, or supervision.	3/17/2018 12:39 AM

20	I have heard from many kids and adults that they love how involved Mr. M is with the Assembly, it really is fun for them to watch him intermix with the kids doing pie eating or whatever. Also, I feel like a lot of thought and money goes into providing food and snacks for the volunteers and high school volunteers, but not that much attention is given to the students themselves. The kids are running around and full of energy, it would be nice to provide a bit more than a small bag of chips in the evening. There seems to be a lot of food left over for the volunteers but I heard from numerous students how hungry they were. Maybe we can divert a portion of the budget to providing a more filling snack for the kids later on.	3/16/2018 4:15 PM
21	Though it is a fun evening for the kids, I feel it is unnecessary to have anyone spend the night. That seems to just invite unnecessary safety concerns for all involved. If anything, maybe limit the number of overnight kids to only 5th grade, as that would make things easier to properly supervise/regulate.	3/16/2018 3:54 PM

29	I think the overnigher is a great activity for kids and parents. I think it brings our KL community together. I do think it is time to make it an overnigher for only the fifth graders and their parents with everyone else going home after the activities.	3/16/2018 11:38 AM
30	Thanks! Job well done.	3/16/2018 11:31 AM
31	Thank you to all involved for a successful event	3/16/2018 11:18 AM
32	Kettle Lake is such an amazing school with wonderful staff and an excellent PTO! I am so thankful that my kids get to experience this type of event and will have life-long memories!	3/16/2018 11:14 AM
33	The kids love it and look forward to it every year. Keep it going as long as possible. We never seem to remember to pick up breakfast items... however, if there something in the Wednesday Word, I would definitely donate money towards that.	3/16/2018 10:57 AM
34	I think CORE is great and would hate to see it go away. The kids look so forward to it.	3/16/2018 10:51 AM

37	For fifth grade, the experience could have improved if communication with the students had been better. 1. You may have one can of pop at the 2am dinner 2. No food or pop in the gym Simple things like that.	3/16/2018 10:38 AM
38	It's a great event for the kids. Thanks to everyone who worked so hard to make it happen!!	3/16/2018 10:37 AM
39	Overall, CORE is an excellent event to encourage reading. However, kids (and parents) really need their sleep, so an overnight event with little opportunity for comfortable rest may not be the best way to reward efforts. Perhaps a shortened evening assembly would be just as fun and rewarding without sleep disruption and greater student participation.	3/16/2018 10:32 AM
40	Could the prize be a trip to a fun place rather than staying overnight.	3/16/2018 10:31 AM

42	The CORE shirts were a hit!! Both of my kids enjoyed wearing them every Friday leading up to the CORE :)	3/16/2018 10:20 AM
43	I love what Kettle Lake does to promote reading and to promote a positive school environment. As I said, I'm not sure CORE needs to be an overnight event . . . maybe that could be revisited in the future.	3/16/2018 10:16 AM
44	Would staggering the drop off / pick up times by 10-15 minutes per grade make things a little easier in future years? There was no parking at 6:30, but it only took 5 minutes to drop my kid and by then some spots were opening up.	3/16/2018 10:15 AM

49	Thanks to all the dedicated volunteers who made this happen!	3/16/2018 4:20 AM
50	The team does a great job. I would like to see a change in the program. No over nigher a different celebration/field trip. Tie it back to reading! NO competition!	3/15/2018 10:05 PM
51	This was overall a great event, and I am sure a ton of work goes into this. Safety is my biggest concern.	3/15/2018 8:16 PM
52	Thank you to all who make this happen	3/15/2018 6:19 PM

53	The overnigher has always been a struggle for our family. We have always had younger siblings & one parent that works sat. It's nearly impossible to have one of us volunteer although we do make it work for added safety for our kids attending the event. Both parents are then exhausted the entire weekend. One parent has to go to work sat while the other has to still take care of younger kiddos. We also dislike the overnigher in general for kids under 5th grade. For 5th grade it doesn't need to be an overnight thing. In this day & age for safety purposes it's the last place I would ever want our kids overnight regardless of all safety measures taken.	3/15/2018 5:26 PM
54	Let's try something different next year. Maybe a field trip to Airtime, the zoo, museums, a park.	3/15/2018 3:06 PM
55	Thanks team, for all you do. I know it's a big undertaking and commitment. Thumbs up!!	3/15/2018 11:59 AM
56	It is a lot of work and appreciate everyone who puts it together, the kids love it.	3/15/2018 11:24 AM
57	THANK YOU!!!	3/15/2018 11:22 AM
58	I heard kids were pressured to drink Mountain Dew and coke to stay up. I don't understand how that is allowed. I also don't like that money is spent to clean the school the next day (paying the custodians). Kids are not allowed to trash the school during the day and should not be allowed to disrespect it at this event. Lastly, I'd like to see more of a connection to reading if it is truly a celebration of reading.	3/15/2018 11:06 AM
